

## **Mount Mansfield Union High School Academic Boosters Incentive Grant 2021-2022**

The Mount Mansfield Union High School Academic Boosters Committee is pleased to be able to provide Incentive Grants to be used during the 2021-2022 school year for an amount not to exceed \$500 per grant. These Incentive Grants are to be used to assist in the development of enhanced student learning. Grants requesting items that are included as part of the regular budget process, such as basic school supplies or salaries, will not be considered.

The Academic Boosters is excited to provide this opportunity to the staff and students at MMU.

**Eligibility:** Any faculty member *or student* at MMU may apply for these grants.

**Application:** The grant application is on the next page of this document. Grant applications should provide a budget, a narrative describing the project with attention on how the grant will enhance academic excellence at MMU, and how success of the project will be evaluated.

**Time Frame:** Grant applications can be submitted anytime to Academic Boosters through Mike Weston in the Main Office. The applications will be reviewed at the next Academic Boosters meeting after they are received (The first Wednesday of every school year month). Grant funds will be available immediately after a positive decision is made.
